Performing Opportunities:

BalletMet students have the opportunity to audition for The Nutcracker

Students who are in Ballet level 2 and up and are age 8 by the beginning of the academic year (Sept. 30, 2019) are eligible to audition for a part in The Nutcracker. Auditions this year will be Sunday, September 8th.

The Nutcracker participation is based upon a student’s comprehension and ability to repeat steps, presentation as well as the student’s size. Auditions will be held on Sept. 8, 2019. Students are to be registered BalletMet Dance Academy students and maintaining the minimum required number of classes at BalletMet Dance Academy for their ballet level. Student accounts must also be paid up to date.

Performance Ensemble Classes:

There is the opportunity for several groups of students to learn choreography throughout the year and share it in outreach, as well as in showings in the BalletMet Performance Space. Scheduled performances will be held on November 8, 2019, March 23, 2020 and May 22, 2020.

Level 4 and 5 Students work on age-appropriate choreography to develop their comprehension and performance skills. Attendance at all technique classes is required. Spaces are limited.

Level 6, 7 and 8 Ensemble classes encourage intermediate to advanced-level students to study choreography that reflects the emphasis on balletic work within the academy. Students will work on perfecting the details of varying styles and techniques to prepare them for the wide-ranging demands made on professional dancers. Spaces are limited.

Annual Spring Performances- June 5 and 6, 2020:

Students in Level 1 Ballet and up with good attendance, will have the privilege of participating in the academy’s Spring Performances. These performances allow the students the chance to experience the full process and demonstrate what they have learned in a theater setting. Costuming is minimal and mostly provided by BalletMet. Participating students must have accounts paid up to date.

The Spring Performance takes place at the Davidson Theatre. There is a $25 participation fee per student to offset the theater staffing and production costs. Students wishing to participate in the Spring Performance will be required to attend all mandatory rehearsals to set group choreography on selected Saturdays prior to the performance. The rehearsal dates will be determined.

If planning vacation travel, please plan on leaving Sunday, June 7, or later if you your student is participate in the annual Spring Performances. We will not be able to accommodate special requests for performances based on vacation plans or school events.

Ticket Opportunities: Discounts:

In addition to the complementary tickets that you receive in the Children and Student’s division, there are several opportunities for discounts for professional company performance tickets. Here are a few options available:

- Academy families may purchase single tickets with a discount of $10 for all company performances. Families should identify themselves as academy members when purchasing them at the BalletMet Box Office.
- Student Rush: College Students only, who have current ID’s, may present their ID at the theater beginning two hours prior to the start of any performance and receive best seat available seating for $15. Availability may be limited depending on the selling of the show and the ticket is only available for the student presenting their college ID.
**BalletMet Dance Academy Parent Association:**

All parents of students in the BalletMet Dance Academy are considered members of BalletMet’s Parent Association. The Parent Association assists the academy in many ways. They sponsor some educational opportunities for students as well as coordinating and selling items in the academy and during company performances. Volunteers assist with chaperoning performances in which students are involved, as well as assisting in the costume shop. Profits from merchandise and their fundraising efforts benefit the BalletMet general scholarship fund.

The Parent Association will also sponsor Plug In with the Parent Association in the Downtown conference room on select Saturdays during the academic year. Please come join them for coffee, refreshments, good conversation and information about BalletMet from a parent’s perspective. (Refer to academy calendar for details.)

**Basic Dress Code:**

Dancers are participating in a disciplined art form that requires preparation. Clothes and shoes should be marked with the student’s name and kept in a dance bag to ensure that all items are ready for class.

**Dance Fitness Dress Requirements:**

- Pilates & Yoga: Comfortable clothing. Bare feet or socks. Bring your own mat and Theraband.
- Ballet: All students are required to wear ballet attire or clothing that allows for fluid movement during class. Ballet technique shoes are required.
- Dance Well. Live Well. Comfortable clothing and appropriate dance shoes and Yoga Mat

**Hair Requirements:**

Hair for ballet class for girls in Children’s Division through Trainee should be pulled back in a bun and fixed in place close to the head. No bangs, headbands or whispies. All students will be expected to learn how to fix their hair and meet hair requirements. Hairnets are available in most drugstores in the hair accessory department. We will continue to use other media outlets like television and the web, but this mobile text messaging will reach students in a direct and timely manner. This one-way communication will be short, with concise messages, and only used during severe weather or other sudden emergencies. In order to participate and receive these text messages you will need to join the group by texting @bmetacad to 81010 from your phone. Otherwise, you will not be included in this group communication.
- Decisions for cancellations at the McConnell Arts Center site will be communicated through the McConnell Arts Center via email, as well as noted on the regular Downtown number.
- In addition, the following actions will be taken:
  - 10TV, Fox News28, Channel 6 (WSYX) and Channel NBC4 (nbc4i.com) will be notified.

Parents driving in from suburban and rural areas will be asked to use their judgment regarding the safety of driving through their area to reach BalletMet. Make-up classes can be scheduled for any classes missed due to a weather emergency.

Solicitation and Advertising Policy:
There shall be no solicitation or fund raising by parents, students or any other visitor in the BalletMet facility. Any outside advertising or information must be approved by the BalletMet management prior to posting or distribution on BalletMet premises. Approval is at the discretion of BalletMet. Any items posted without approval will be automatically discarded, regardless of content.

Questions/Concerns/ Suggestions/Appointments:
Parents may have questions, concerns, suggestions, or wish to make an appointment to talk about their child’s dance education, classroom activities, and/or BalletMet activities, when the proper personnel may not be available to discuss it with them. While teachers are always happy to discuss and answer questions about a student’s progress, they are not always available in the hallways for discussion. At the front reception desk, we have “Question, Concern, Suggestion, Appointment Forms” which parents and students may complete to bring these items to academy director’s attention. The academy director or someone who is designated will respond to the request.

Video/DVD/Photo Assistance:
BalletMet will have a specified time to take photos for upcoming Summer Intensive or college auditions. Should a student need assistance with photos or video/DVD for an audition outside of the designated time, they may request assistance through the “Request for Information or Assistance” form. Students should allow a minimum of two to three weeks advance notice for any video/DVD request. There is a charge of this assistance.

Letters of Reference or Recommendation:
There are times that students require letters of recommendation or reference for school honors, employment applications, college applications or auditions, summer intensive auditions, etc. Students should go to the reception area and fill out a “Request for Information or Assistance Form” requesting the letter and giving any pertinent information such as whom it is to be addressed to, purpose of the letter, deadline, etc. The student should allow at least 2 full weeks time prior to the date that this is required, in order to allow the proper parties to produce the letter to them. Any requests with a shorter time requirement will be completed if possible but are not guaranteed.
**Injury Procedure:**
All student injuries and accidents in and out of ballet class must be reported promptly to the academy front desk. Academy staff will document the student’s condition and any medical guidelines for activity. If an injury occurs (either in or outside of class), please do the following:
- Notify the faculty and front desk immediately so that proper documentation can be made.
- Have your doctor send a report on your injury to the front desk in order to facilitate your recovery.
- We must receive written permission from your doctor allowing you to resume classes.
- Any student with an injury requiring limited participation in class or a significant leave of absence from must meet with staff to set up a recovery plan before returning to classes.

**Make-Up Classes:**
If you miss a class due to a scheduled holiday or weather emergency at any site, please check for an appropriate make-up class. Make-up classes must be made up prior to April 25, 2020, for the current academic year and cannot be carried over into summer or fall classes. Students should not make up classes during the Observation Periods of November 4-9, 2018 and March 9-14, 2020.

If you have missed a class at the McConnell Arts Center, please get a make-up slip from your teacher for the missed class. You may make up your class at the McConnell Arts Center or Downtown by presenting this slip.

**Merit Award Scholarships:**
Students in Ballet level 4 and up will be observed and considered throughout the year. There are a limited number of merit-based scholarships for the Academic year. Students invited to participate in this program, will receive a letter of notification in the mail along with the requirements of scholarship students. Scholarship students are required to follow the Comprehensive Plan Schedule as a condition of their award. The Academy Director may award Merit scholarships to lower level students at her discretion.

**Financial Assistance:**
Financial aid is available for students in Ballet 2 and up who attend the academy. Please request the appropriate paperwork from the academy registrar. Students who receive financial aid in the fall will be reassessed during the month of January. At that time, BalletMet staff will consider the student’s attendance, commitment level and timeliness of payments. BalletMet reserves the right to discontinue financial aid if the student and guardian are not reassessed favorably or have acted inappropriately. Financial aid will apply to ballet classes only in Levels 2-8. Applications for 2019-20 Financial Aid are due by July 15, 2019

**Discover Dance Program:**
The Discover Dance program was developed to serve talented underserved youth, ages 8-12 entering BalletMet for the first time. Auditions for the academic year are completed between the months of February and April for the next season at the academy and at specific neighborhood schools. Please contact Ambre Emory-Maier, BalletMet’s Education Director, at aemory-maier@balletmet.org or 229-4860 #135 for more information.
Payment Information:
All student accounts are expected to have complete payment by the first of each month. If there are extenuating circumstances in which you are unable to pay on time, please call and make payment arrangements with the academy coordinator. Accounts that are 10 days past due may be subject to a $10.00 late fee. If an account is past due by November 15th, the student's participation in Nutcracker may be jeopardized. If an account is past due on April 1, the student's participation in the annual Spring Performances may be jeopardized. Families of students with past due balances will be contacted and given an opportunity to bring their students accounts current.

Discount Policy:
In order to serve the needs of our BalletMet families, we have devised the following payment plan for students at our Downtown site:

☐ The student with the highest tuition amount will pay full tuition. All other family member tuitions will be discounted at 15 percent. This does not apply to registration fees.
No more than two discounts may apply to any student’s tuition. Examples of discounts include but are not limited to: scholarships, financial aid, paid in full discounts, additional family member discounts and/or subscriber.

Refund/Withdrawal/Class Card Policy:
☐ No refunds will be given for classes missed because of a student’s personal schedule. In the event of a prolonged illness or injury that prohibits dancing, a doctor’s statement must be presented to the academy manager or the academy coordinator in order to secure a partial refund.
