

Pittsburgh Ballet Theatre Covid Policy:

For the safety of all, PBT requires that all guests provide proof of vaccination or negative test before entry is permitted.

Proof of vaccination must come directly from the healthcare provider that performed the vaccination.

Guests may display proof digitally or present a physical copy. Use of a Digital Vaccination Passport App is also acceptable. Photo identification may be required.

All tests must show the date of the test, the provider, and the result.

Masks are required while indoors at Pittsburgh Ballet Theatre.

Participants should be spaced 3 feet apart at all times to the best of your ability.

Participants must wipe down their portion of the barre after class to keep studio spaces sanitary. PBT will supply wipes.
