

## **Covid Procedures**

**Please enter through the stage door entrance, located on the Madison Street side of the building under the burgundy awning.**

**Please complete the health screening form and submit online (See below).** This form may be completed any time after 12:01am the day of your arrival. If you are unable to submit the form electronically you can use the QR code or fill out a paper form when you enter at the stage door.

Once you enter and have submitted your form, **give your name to the security officer at base to confirm your form was received.**

**The officer will then direct you to take your temperature on one of the two wall mounted units.**

**Please present your vaccination card or proof of negative test within 48 hours to the staff person present. If these items cannot be shared you will be denied access.**

**The audition will take place in the Margo V Cohen Center for Dance on the 5th floor on the opposite side of the building. Once approved by staff and security you may take the elevator to the 3rd floor cross over and follow the signs to the dance center.**

Please plan to arrive a few minutes early to complete this process. **You will enter and exit through the stage door every time you come to the Opera House until further notice.**

**Masks are required throughout the building in all common spaces unless actively eating or drinking.**

Masks, hand sanitizer, wipes, gloves, etc. will be available from the officer at base, if needed.

Please do not come to DOH if you are sick, have a temperature or are experiencing any of the now familiar symptoms of Covid-19.

If you do not successfully answer the health screen related questions, security will get an email accordingly and you will not be allowed to enter at that time.

Lastly note, if you have traveled internationally within 2 weeks, you will be flagged and denied access.
