A COLLECTION OF SHORT BALLETS

FLIGHT OF FANCY

Flight of Fancy is a fast paced and lively creation designed to impart a feeling of curiosity and playfulness to the audience. Think of hummingbirds. Freshly cut grass. Butterflies. Snowball fights. Summertime splash pads. First kisses. Trust falls. A wink from across the room. First day of school. Something new. That feeling is the flight of fancy. The music is energetic and forceful and pushes the dancers to remain in constant motion, filling the performance space with movement which should inspire both imagination and passion.

TIMELESS TIDE

Yue Yin's *Timeless Tide* brings swirling energy on stage. Set to the original score by Michel Banabila, the work reflects the current and the gravity of the time and the countless interactions that guide the force into a continuous momentum.

SEASONS

Experience the revival of *Seasons* by Edwaard Liang, inspired by Max Richter's reimagining of Vivaldi's *Four Seasons*. This captivating ballet, which premiered to acclaim in 2021, returns in 2024 with renewed scenery and timeless choreography. Journey through the ever-changing landscapes of nature and emotion, as dancers gracefully depict the cycle of seasons with dynamic movement and evocative imagery.
